1. Policy statement

- 1.1. In the interest of board continuity, the Spire Board of Directors has established this policy to prepare for vacancies on the Board, whether they are planned or unplanned. Through this policy and related procedures, the Board will ensure that future directors will be qualified, capable and a good fit with the mission of Spire; will understand and commit to its vision, values, goals and objectives; and will use that knowledge and framework in their oversight responsibilities.
- 1.2. The Board acknowledges the importance of a broad range of perspectives and experiences in the boardroom as a driver of Board effectiveness. .

2. Composition of the Board

- 2.1. The Board annually will evaluate its balance and composition to ensure that both it and its committees have the appropriate mix of skills, experience, independence and knowledge to ensure their continued effectiveness. In doing so, the Board will consider a range of factors, including age, gender, social and ethnic backgrounds, cognitive and personal strengths, among other relevant factors.
- 2.2. The Board will periodically review and confirm that plans are in place for orderly succession through appointments to the Board so as to maintain such balance and to ensure refreshment of the Board.

3. Appointments to the Board

- 3.1. All appointments to the Board will be made based on merit while considering suitability for the role, board balance and composition, skills, backgrounds and experience. Other relevant matters will also be considered, such as independence and the ability to fulfill required time commitments in the case of nonemployee directors.
- 3.2. The Board will consider suitably qualified candidates for nonemployee director roles from as wide a pool as appropriate, including candidates with little or no previous listed-company board experience but whose skills and experience will add value to the Board.
- 3.3. The Board may engage executive search consultants to identify a list of candidates who meet the criteria for the role as identified in this Policy.

4. Disclosure

- 4.1. The Board will ensure that there is appropriate and meaningful disclosure in the Company's proxy statement, sustainability report and other public disclosures as deemed appropriate of:
 - 4.1.1. this policy;
 - 4.1.2. the composition and structure of the Board;
 - 4.1.3. the outcome of Board evaluation and any material actions arising therefrom; and
